

**Dear H.E Omar Ntezimbzere**  
**Ambassador of Burundi to Egypt**

Greetings from EABA,

## **Subject: Thanks & Appreciation**

The Egyptian-African Businessmen's Association (EABA) extends its warmest greetings to you and would like to express our gratitude for your fruitful cooperation with the EABA in serving the economic and investment community, as well as in strengthening the collaboration between the Egyptian private sector and the Republic of Burundi.

The Chairman, Board of Directors, and Executive Office of EABA want to express their sincere thanks and appreciation to the **Embassy of Burundi in the Arab Republic of Egypt** for the support, cooperation, and generous assistance provided to facilitate the attendance and participation of the Egyptian delegation in the roundtable held in Burundi from December 5 to 6, 2024.

This event, which brought together over 1,000 participants from 30 countries, was an excellent opportunity for exchanging experiences and enhancing trade relations between African countries and Burundi. **It yielded significant results for the participating Egyptian companies, greatly contributing to strengthening the presence of Egyptian companies in the Burundian market, particularly in the infrastructure and construction sectors. The event also resulted in the signing of important agreements with one of our members, the company "Arab Contractors - Osman Ahmed Osman," in addition to opening new avenues for Egyptian companies to expand into the Burundian market.**

Finally, we would like to express our deep appreciation for the prominent role played by Burundian diplomacy in facilitating this event. We also highly value the fruitful cooperation extended by your esteemed Embassy and the delegation team, which played a significant role in organizing the conference. We hope for a continued and fruitful collaboration between our Association and your esteemed mission.

Chairman of  
Egyptian African Businessmen's  
Association
